Department of State Overview

The mission of the [Department of State](#) ^[1] is to advance freedom for the benefit of the American people and the international community by helping to build and sustain a more democratic, secure, and prosperous world composed of well-governed states that respond to the needs of their people, reduce widespread poverty, and act responsibly within the international system.

Combating violent extremism is not only a U.S. concern. Accordingly, robust and regular two-way information sharing and collaboration with international partners continue to be cornerstones of our effort to thwart terrorist attacks.
